Summary

I'm a recent graduate of NAIT where I studied Computer Software Development. I'm excited to explore how I can apply my education to create products for the real world. Accountability and passion for my work have provided me success in school and previous positions, which are two skills I plan to bring with me to your company.

Education

Northern Alberta Institute of Technology - Computer Software Development Diploma

September 2024 - April 2026

- 3.9 GPA, Dean's Honour list through all semesters.
- Skills in front end frameworks including Next JS, React and Flutter.
- Backend systems, creating databases in SQL.
